

THE 11TH INTERNATIONAL CONFERENCE ON SOCIAL SCIENCES 2024

“Promoting Global Challenges and
Social Resilience Through
Sustainability”

Colombo, Sri Lanka
10th - 11th October 2024

socialsciences.tiikm.com

WHO WE ARE?

Together.

● The International Institute of Knowledge Management (TIKM) is an entity that facilitates the purpose of Knowledge-driven and educationally empowered sustainable future for humankind by constructing the career of the research fraternity, empowering decision making in the corporate sector, and promoting quality decisions for policymakers through connected and integrated ground-breaking solutions.

WHY CHOOSE US?

OUR VISION

We are facilitating the purpose of a Knowledge-driven and educationally empowered sustainable future for humankind by constructing researchers' careers, empowering decision making in the corporate sector, and promoting quality decisions for policymakers through connected and integrated cutting-edge solutions.

OUR MISSION

"Developing a Sustainable future for humankind with our fundamental value system through Knowledge-sharing platforms, widely accessible publications, meaningful collaborations, cutting-edge technology, and other novel solutions."

CONTACT US

CONFERENCE PURPOSE

ICOSS aims to contribute to the ongoing transformation of the Social Science field on a global scale. By fostering a collaborative spirit and facilitating partnerships across national and disciplinary borders, the conference aims to establish a foundation for sustained collaboration and innovation. Attendees, through their contributions and shared research findings, position themselves on a global recognition platform, thereby impacting the advancement of the field. The continuous career development initiated at the conference contributes to the long-term growth and influence of participants in shaping the future of Social Studies education and addressing evolving societal challenges worldwide

WHY ATTEND NUTRICON 2024?

Share

We cordially invite you to attend ICOSS 2024, which has been meticulously designed to provide a rich and dynamic platform for the exchange of ideas and knowledge

Network

The event will offer unparalleled opportunities to participate in international networking with leading scholars, researchers, and professionals from across the globe.

Advance

In addition, attendees will have access to a series of engaging workshops led by esteemed experts, which will enable them to develop and enhance their skills in their respective fields.

Experience

Whether you choose to attend in person or virtually, our event promises to be a valuable and enriching experience

Conference focused on exploring innovative and interdisciplinary approaches to address the dynamic interplay between ecosystems and human health. The event aims to foster discussions and collaborations among experts from diverse fields to develop sustainable solutions that can withstand the challenges of the future

Here is the reason

WHY CHOOSE US

JOIN THE MOVEMENT FOR A

ENRICHING FEATURES

Actions You Can Take

•Research Presentations

Opportunity to present latest research findings

01

•Knowledge Dissemination

Share and distribute new knowledge, trends, and best practices in specific academic fields, promoting continuous learning and growth.

02

•Networking

Offer opportunities for academics, scholars, industry and policy makers to connect, facilitating potential collaborations, partnerships, and knowledge exchange.

03

•Interdisciplinary (research) Collaboration

Encourage discussions and collaborations between various disciplines, leading to more comprehensive and holistic research approaches.

04

•Industry and policy makers Collaboration

(ICOSS 2024) presents a unique opportunity to bridge the gap between industry professionals and policy makers, fostering a collaborative environment that can lead to significant advancements in public health.

05

•Cultural and Geographical presence/Exchange

As these are international events, they promote a cross-cultural and cross-geographical understanding of research topics, accounting for global diversity.

06

JOIN THE MOVEMENT FOR A

ENRICHING FEATURES

Actions You Can Take

•Professional Development:

Organize workshops, training sessions, or panels that help attendees enhance their academic skills, research knowledge, or teaching practices.

•Publication Opportunities/developments

With the aim of locating your research to the right destination, International Conference on Food, Nutrition, Health And Lifestyle (NUTRICON 2024) has amplified its publication opportunities by partnering with TIIKM Publishing.

•Raise Awareness

Highlight pressing issues, challenges, or emerging trends in a particular academic field, drawing global attention to them.

•Recognition

Honor significant contributions or breakthroughs in the academic field through awards and honors.

•Fostering Global Academic Community

Strengthen the bonds of the global academic community, reinforcing the idea of collaborative progress and shared knowledge.

• Peer Review and Feedback for abstract, presentations and full papers

Provide a platform for researchers to receive constructive feedback from fellow experts and peers, enhancing the quality of their work.
